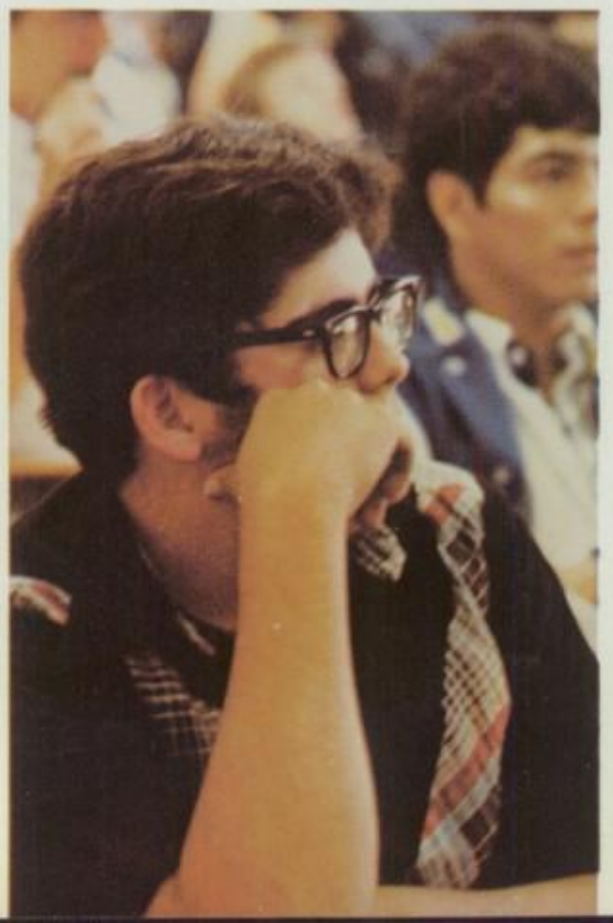
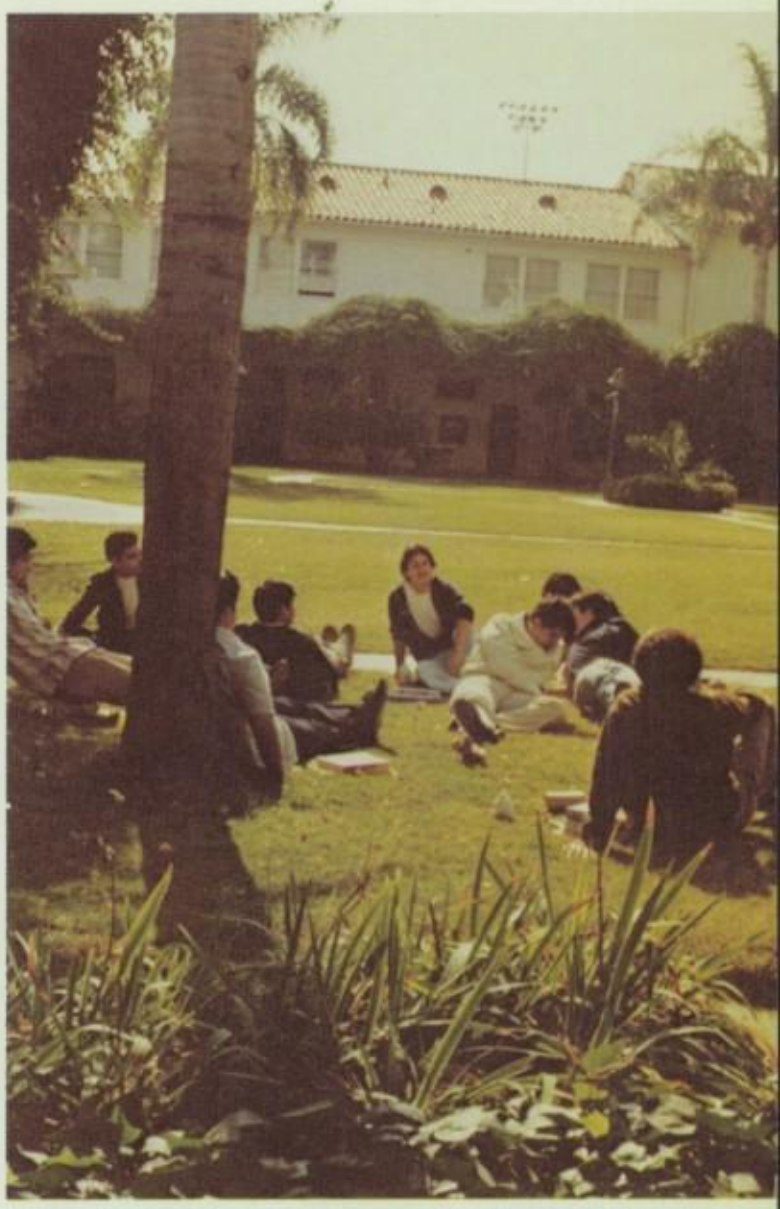
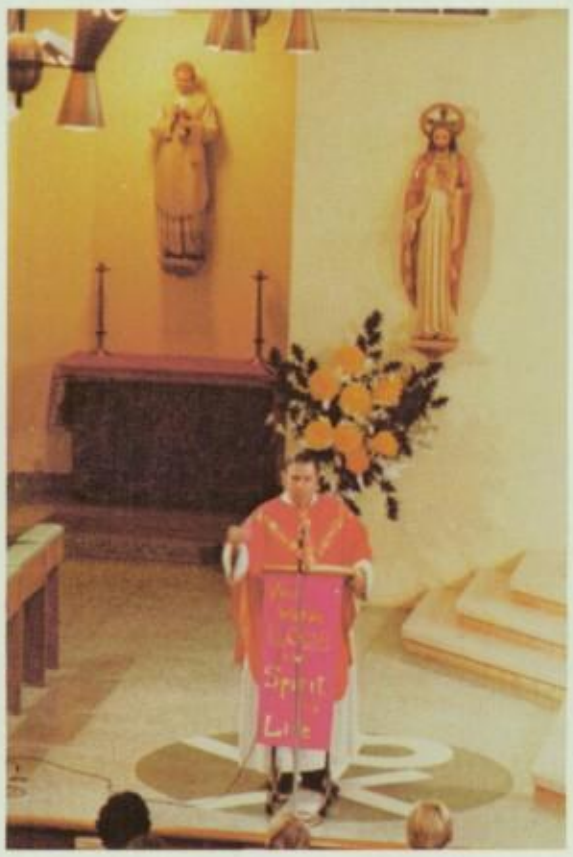
FOCUS ON



THE FUTURE





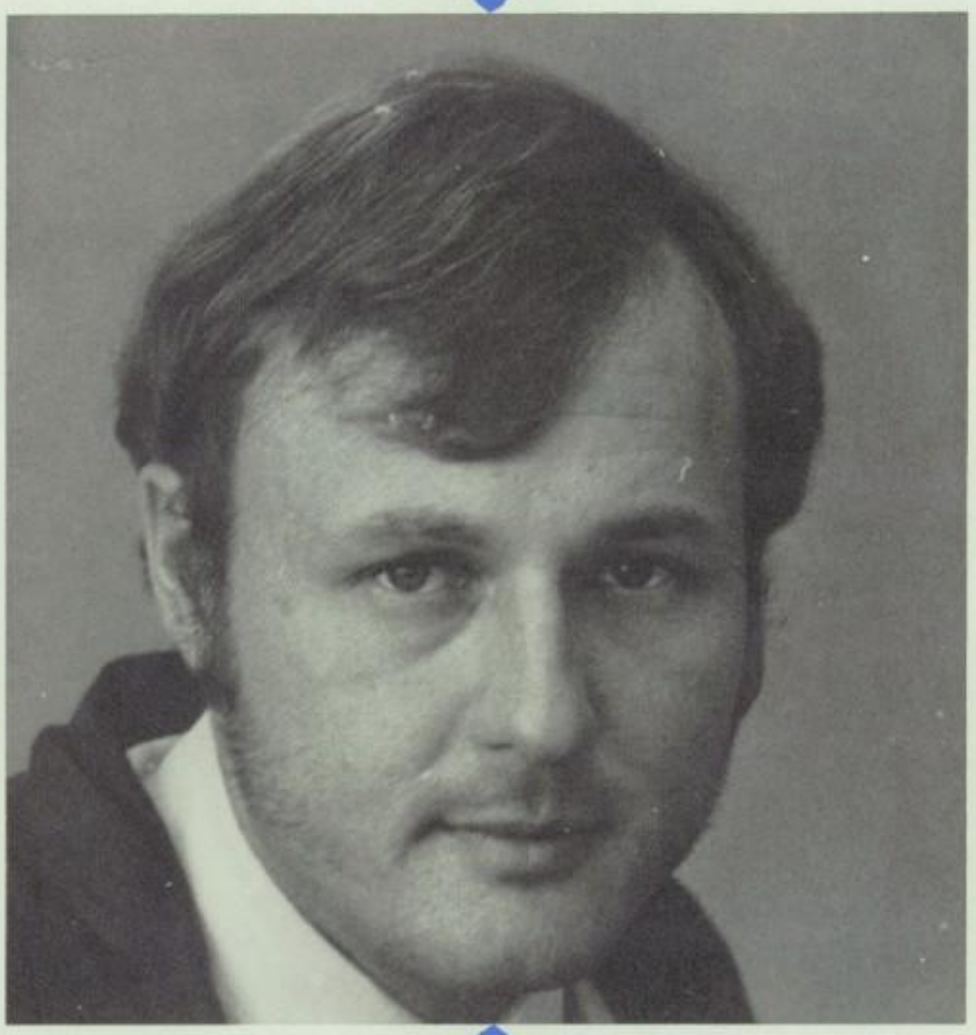
The theme of the 1978 Brave is Focus on the Future. This futuristic aspect can be reflected in all areas of our high school lifestyle. Bosco students attend classes which will prepare them for college or a particular career. Some participate in athletics hoping for possible future scholarships. Coaches look forward to upcoming games and seasons. Teachers plan exams, classes, and lectures for weeks to come. Even through everyday planning and looking ahead to special occasions, we are focusing on the future.

Each year the yearbook is dedicated to an individual to whom the students of St. John Bosco feel they owe a very special thanks. The individual selected this year in the academic community is held in the highest possible regard by his students and peers. As a teacher, coach, counselor, and most of all, as a friend, he possesses a unique combination of dedication, personality, ability to teach and the ability to relate to the students as individuals. With these qualities in mind, we dedicate this book to Mr. James Cross.

Mr. Cross is an integral part of St. John Bosco. He is considered by his students to be an excellent teacher, making English fun and interesting. He has taken time to moderate clubs and organizations, to coach, and to act as dean and counselor. He is never too busy to help students with their class material; to put the extra effort into his teams; to help his students with personal problems; or even to spend his free time writing letters of recommendation for seniors applying to college. We hope this dedication expresses our sincere gratitude for his help through our high school years.

DEDICATION

Jim Cross attended St. Paul High School and later enrolled at Cal State Fullerton where he received degrees in P.E. and History. He continued his studies at Cal State L.A., where he is currently working on his Master's degree in English. We wish him well.



In the five years at Bosco, Mr. Cross has many accomplishments: he heads the English department and is involved with other activities and programs. He is presently moderating Quill and Scroll, is academic dean for the Senior class, coaches J.V. Soccer and advises the Newspaper Staff.

The Christian Service Association, under the leadership of Fr. Steve Whelan, enjoyed another successful year.

A fine group of Bosco volunteers helped in therapy programs with handicapped children from El Rancho Hospital and the Pace School.

Another vital program of Christian Service is the St. John Bosco Blood Bank. This year, due to the courage of the Bosco Donors, many precious pints of blood were collected.

It is services such as these that typify the cooperation and generosity of the students here at Bosco.

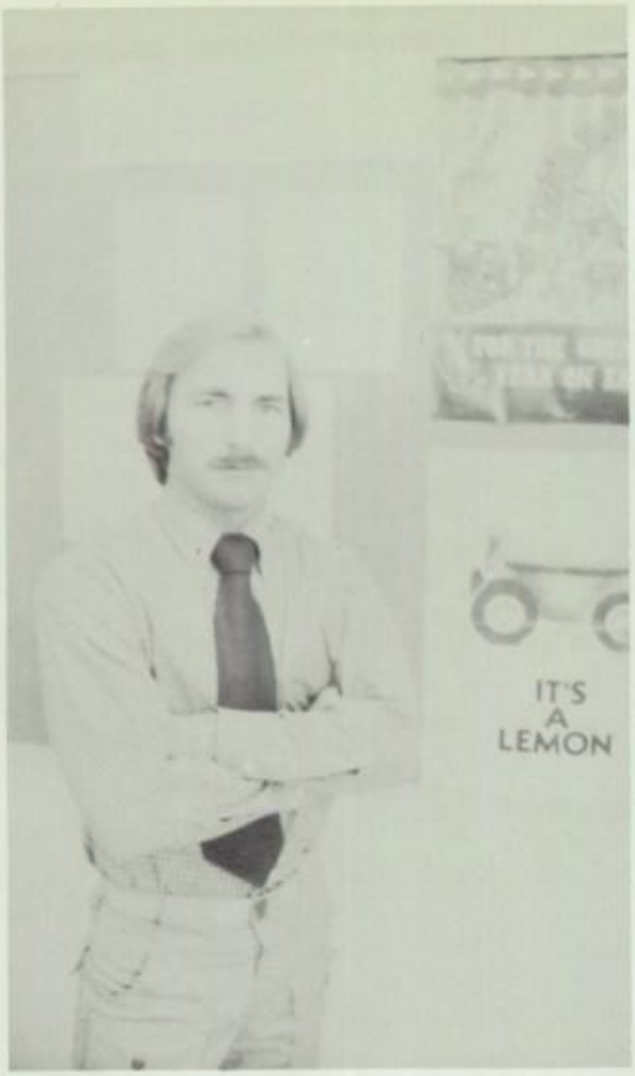
NEWSPAPER STAFF

This year the Brave staff produced many humorous and interesting issues. Editor Mike McNary and managing editor Tom Manix headed this promising group of journalists. Staff advisor Mr. Cross filled the journalism room with his wit and wisdom. Along with meeting the hectic deadline schedule, this years staff also found time to recreate the 1977 World Series!!

YEARBOOK STAFF



The 1978 yearbook staff has delved into the mysterious aura of man's imagination with the theme of "Focus on the Future". Through arduous efforts they have rocketed beyond the realm of reality into the entirely different spectrum of the future. It is difficult to enclose an entire year into the confines of two endsheets, but a valiant effort to provide a flavoring of the year has produced a successful yearbook.

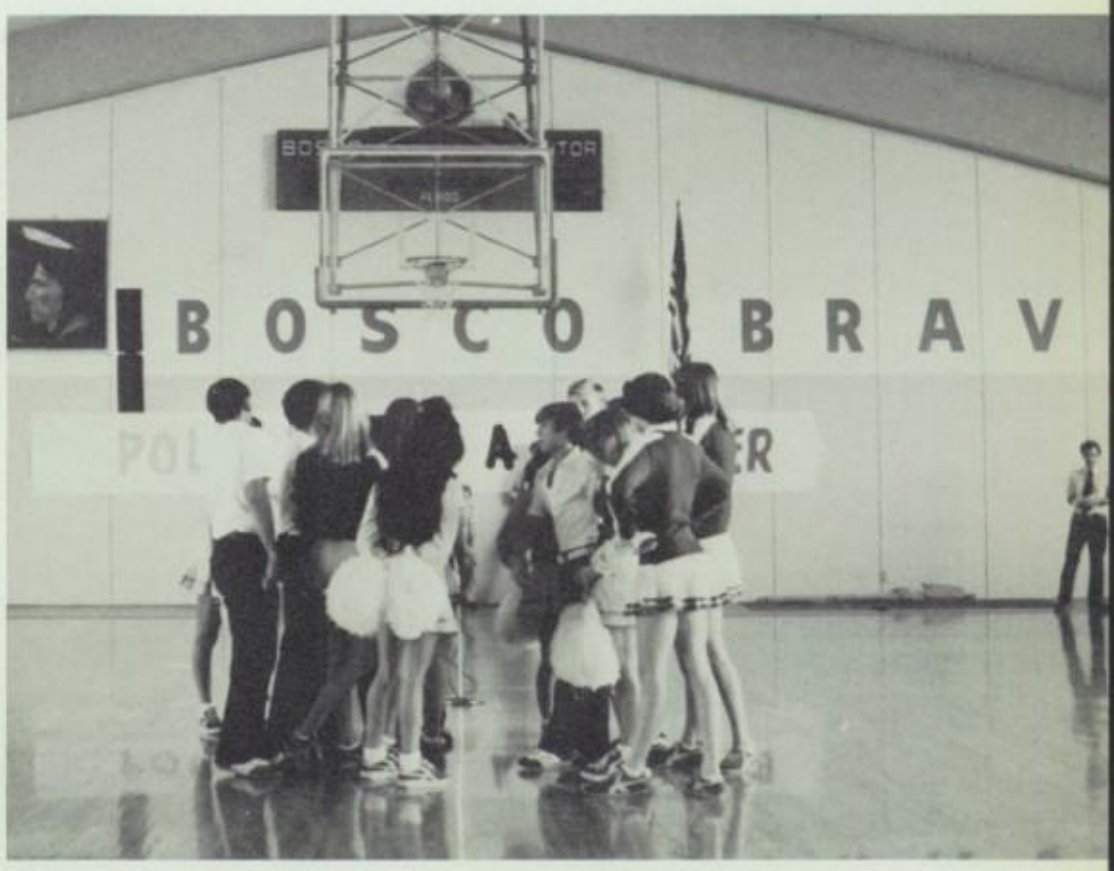
Being one of the most versatile of the Bosco clubs, the Varsity Club has surely shown its efficiency in handling school functions. Some of their accomplishments include a successful steak dinner, open house and rummage sale. They also control the crowds at sports events. They represent excellence in sports and exhibit pride in their school.

PEP CLUB

Bob Brazelton and the yell leaders

Often working behind the scenes without recognition and praise is the Pep Club, one of the most important organizations on campus. This group helps in uplifting school spirit among the student body along with presenting an image of our school to other schools and people in the community.

The braves get fired up!



The Pep Club makes the big decision

CHEERLEADERS

The 1977-78 Cheer and Yell Leaders

Undoubtedly the most popular group here at Bosco this year was the cheerleading squad. This unit consisted of Katie Perry, Terry Beck, Angela Carfino, Cindy Buchannon, Jenny Miller, Marianne O'Leary, Daphne Shipp, Anna Albano, Nancy Brown, Joanne Devlin, Dorothy Yababen, and Terri Snider. Paulo Morales, Mario Hernandez, Bob Brazelton, Mark O'Bar and Jim Collozo composed the rest of the cheerleading combo. This enthusiastic group performed at rallies and games, providing teams with much-needed support and spirit. Their hard work and dedication throughout the year was greatly appreciated.

SAILING CLUB

The Saint John Bosco Sailing Club enjoyed a fun-filled year. The objective of this organization was not only to have fun, but to learn boating safety and general seamanship. Advised by Mr. Kent Halbmaier and led by commodore Bill Carroll, the Sailing Club grew to its largest membership ever.

From the top: J. LaFleur, B. Carroll, D. Poissant, J. Saumur, Mr. Halbmaier, M. Eyre, V. Lawing, J. Morrison, K. Shipp, R. Labrie, P. Bishop, S. Diggs, J. Venaglia

AEROSPACE CLUB

Back Row (L to R) B. Fitzpatrick, R. Eng, L. Prentice, L. Saeli, C. Klein, D. Doran. Second Row: R. Angular, B. Bergschneider, M. Saumur, P. Goodman, P. La Combe, Bottom Row: M. Salazar, L. Bravo.

This year, the Aerospace Club met with the same enthusiasm as in previous years. Members of the club speak with knowledgeable specialists from various fields of the space program. The underlying purpose of the club is not only to learn more about space research, but to help the members develop their own interests in science and discern a possible career.

CSF

This year the California Scholarship Federation nearly doubled in size. Under the direction of advisor Mr. Lamb and officers Pat Loy (President) Paul Kaminski (Vice President), Bob Boshetto (Treasurer), and Tim Duenas (Secretary), the club took on new meaning and significance. In past years membership in CSF has been just a great academic honor, period. This year however with the numerous fund-raisers and educational outings it has become a "true" club in every sense of the word. As well as sponsoring events and outings the CSF has provided an excellent tutoring service throughout the year.

While CSF membership qualifications are still rigorous, membership increased greatly-this is due in part to the creation of a junior membership program.

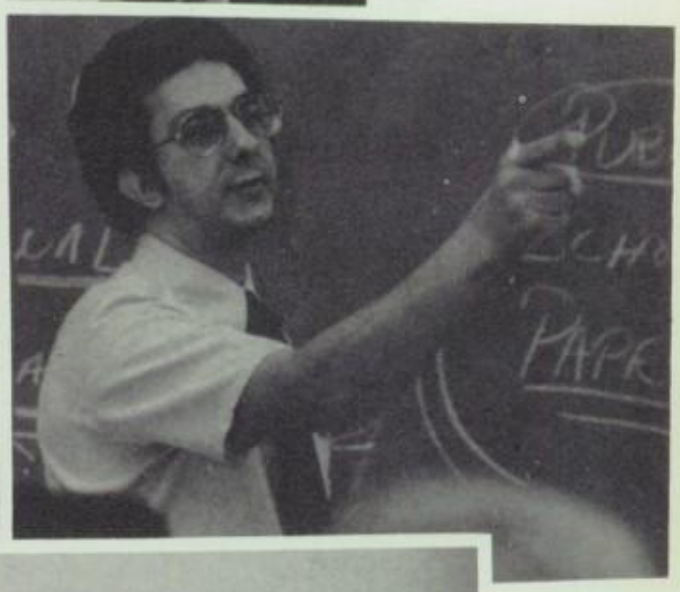
Top row; Jay Miskiel, Mike Therien, Jim Maat, Mark Cocchi, Wayne Dupre, Ed Guzman, Second row; Mike Ruiz, Jim Hunter, Robert Vitug, Steven Diggs, Roy Martinez, Third row; Frank Principi, Randy Peckham, Joe VanHaaster, Jack Cusator, Chris Nelson, Dave Golini, Mike Brazelton, Pat Dibb, Ken Iwakoshi, Dominic Simonton, Carlton Baker, Fourth row; Brian Kennedy, Tom Tosti, Bob Boschetto, Paul Kaminski, Kevin Larson, Pat Loy, Ray Chavez, Brian Robinson, Bill Carrol, Bob Hernandez, Mike Donovan, Bruce Amrhein, Ben SanMiguel Bottom row; Tim Duenas, Bob Higson, Pat Bay, Jeff Carter, Mike McNary, Jack Hicks, Mike Turner, Arnoldo Gomez

BAND

This year saw a valiant effort on the part of a number of students, who under the direction of Mr. Wright, formed themselves into a marching band. Their spirit and enthusiasm added a dimension all their own to our football games.

After the marching season, many students left the band to play sports. But the students who remained showed a real dedication to music. These remaining members are entering a new phase for the Bosco Music Dept. with the creation of the Jazz Band.

FACULTY



ADMINISTRATION

The administrative personnel at SJB have functioned like the watchmakers of a fine timepiece. Through their efforts, Bosco-sponsored activities have operated smoothly and efficiently. The responsibility of guiding the many programs of Bosco is not an easy chore within the framework of such a complex organization, but through the perseverance of our school leaders, a difficult task has become a successful one.

Mr. Tim Ellis

The teachers at Saint John Bosco represent the very framework of our educational program. Their priceless contribution to the students intellectual awareness does not merely consume an eight to four daily schedule, but rather a seven day a week commitment. It is nearly impossible to put the gratitude that these men rightfully deserve into words, for who can express the value of words as such? Simply stated, they are the mentors of our minds.

The Ocean

Rushing and roaring at us, the ocean is an example of beauty. In the heat of the day, when the sun strikes the deep aquamarine water, it turns into the color of a blue diamond mounted against seas of endless sands. As the salt water fragrance hits your nose, you become a part of the ocean. Looking out over the infinite white capped waves, you get a feeling of loneliness. Then you feel the cool brisk breeze coming off the ocean and you realize you aren't alone. The ocean is your companion!

The Eternal Question

Murder, crime, sickness
It seems as though it is all I can see
And then I wonder when it will happen to me

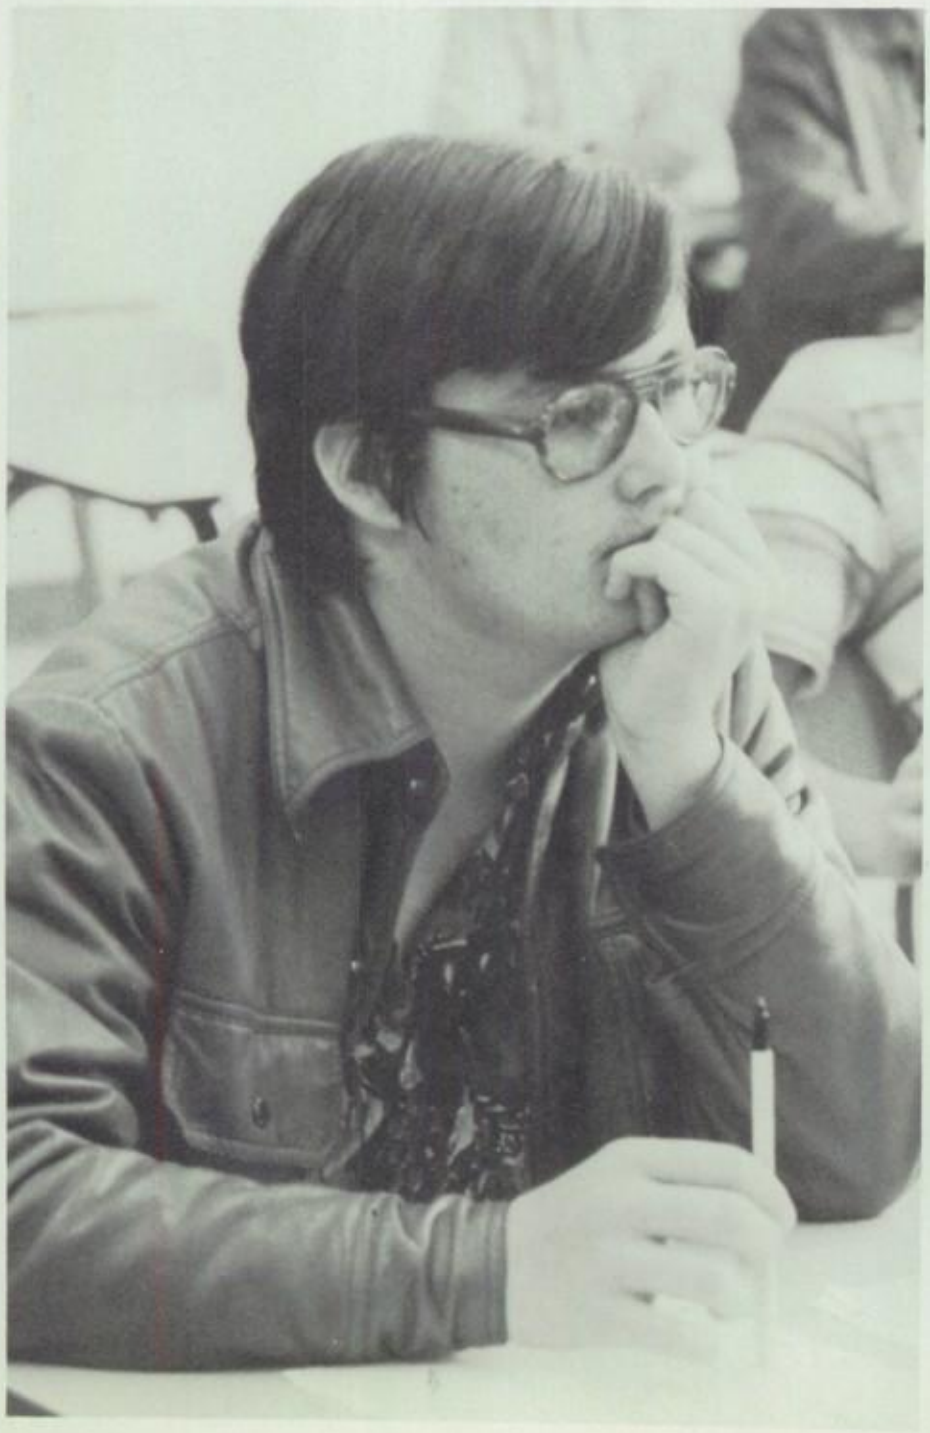
There is so much wrong in this world
Something is terribly amiss
But yet man hopes for that eternal bliss

But here I have come to contemplate
Away from the rest of the human race
Hoping for some spiritual embrace

So that I may find
The true meaning of life
Which would put an end to all of my strife

But I am still questioning
The One high above
And the way in which He bestows His strange kind of love

by
Wayne A. Dupre

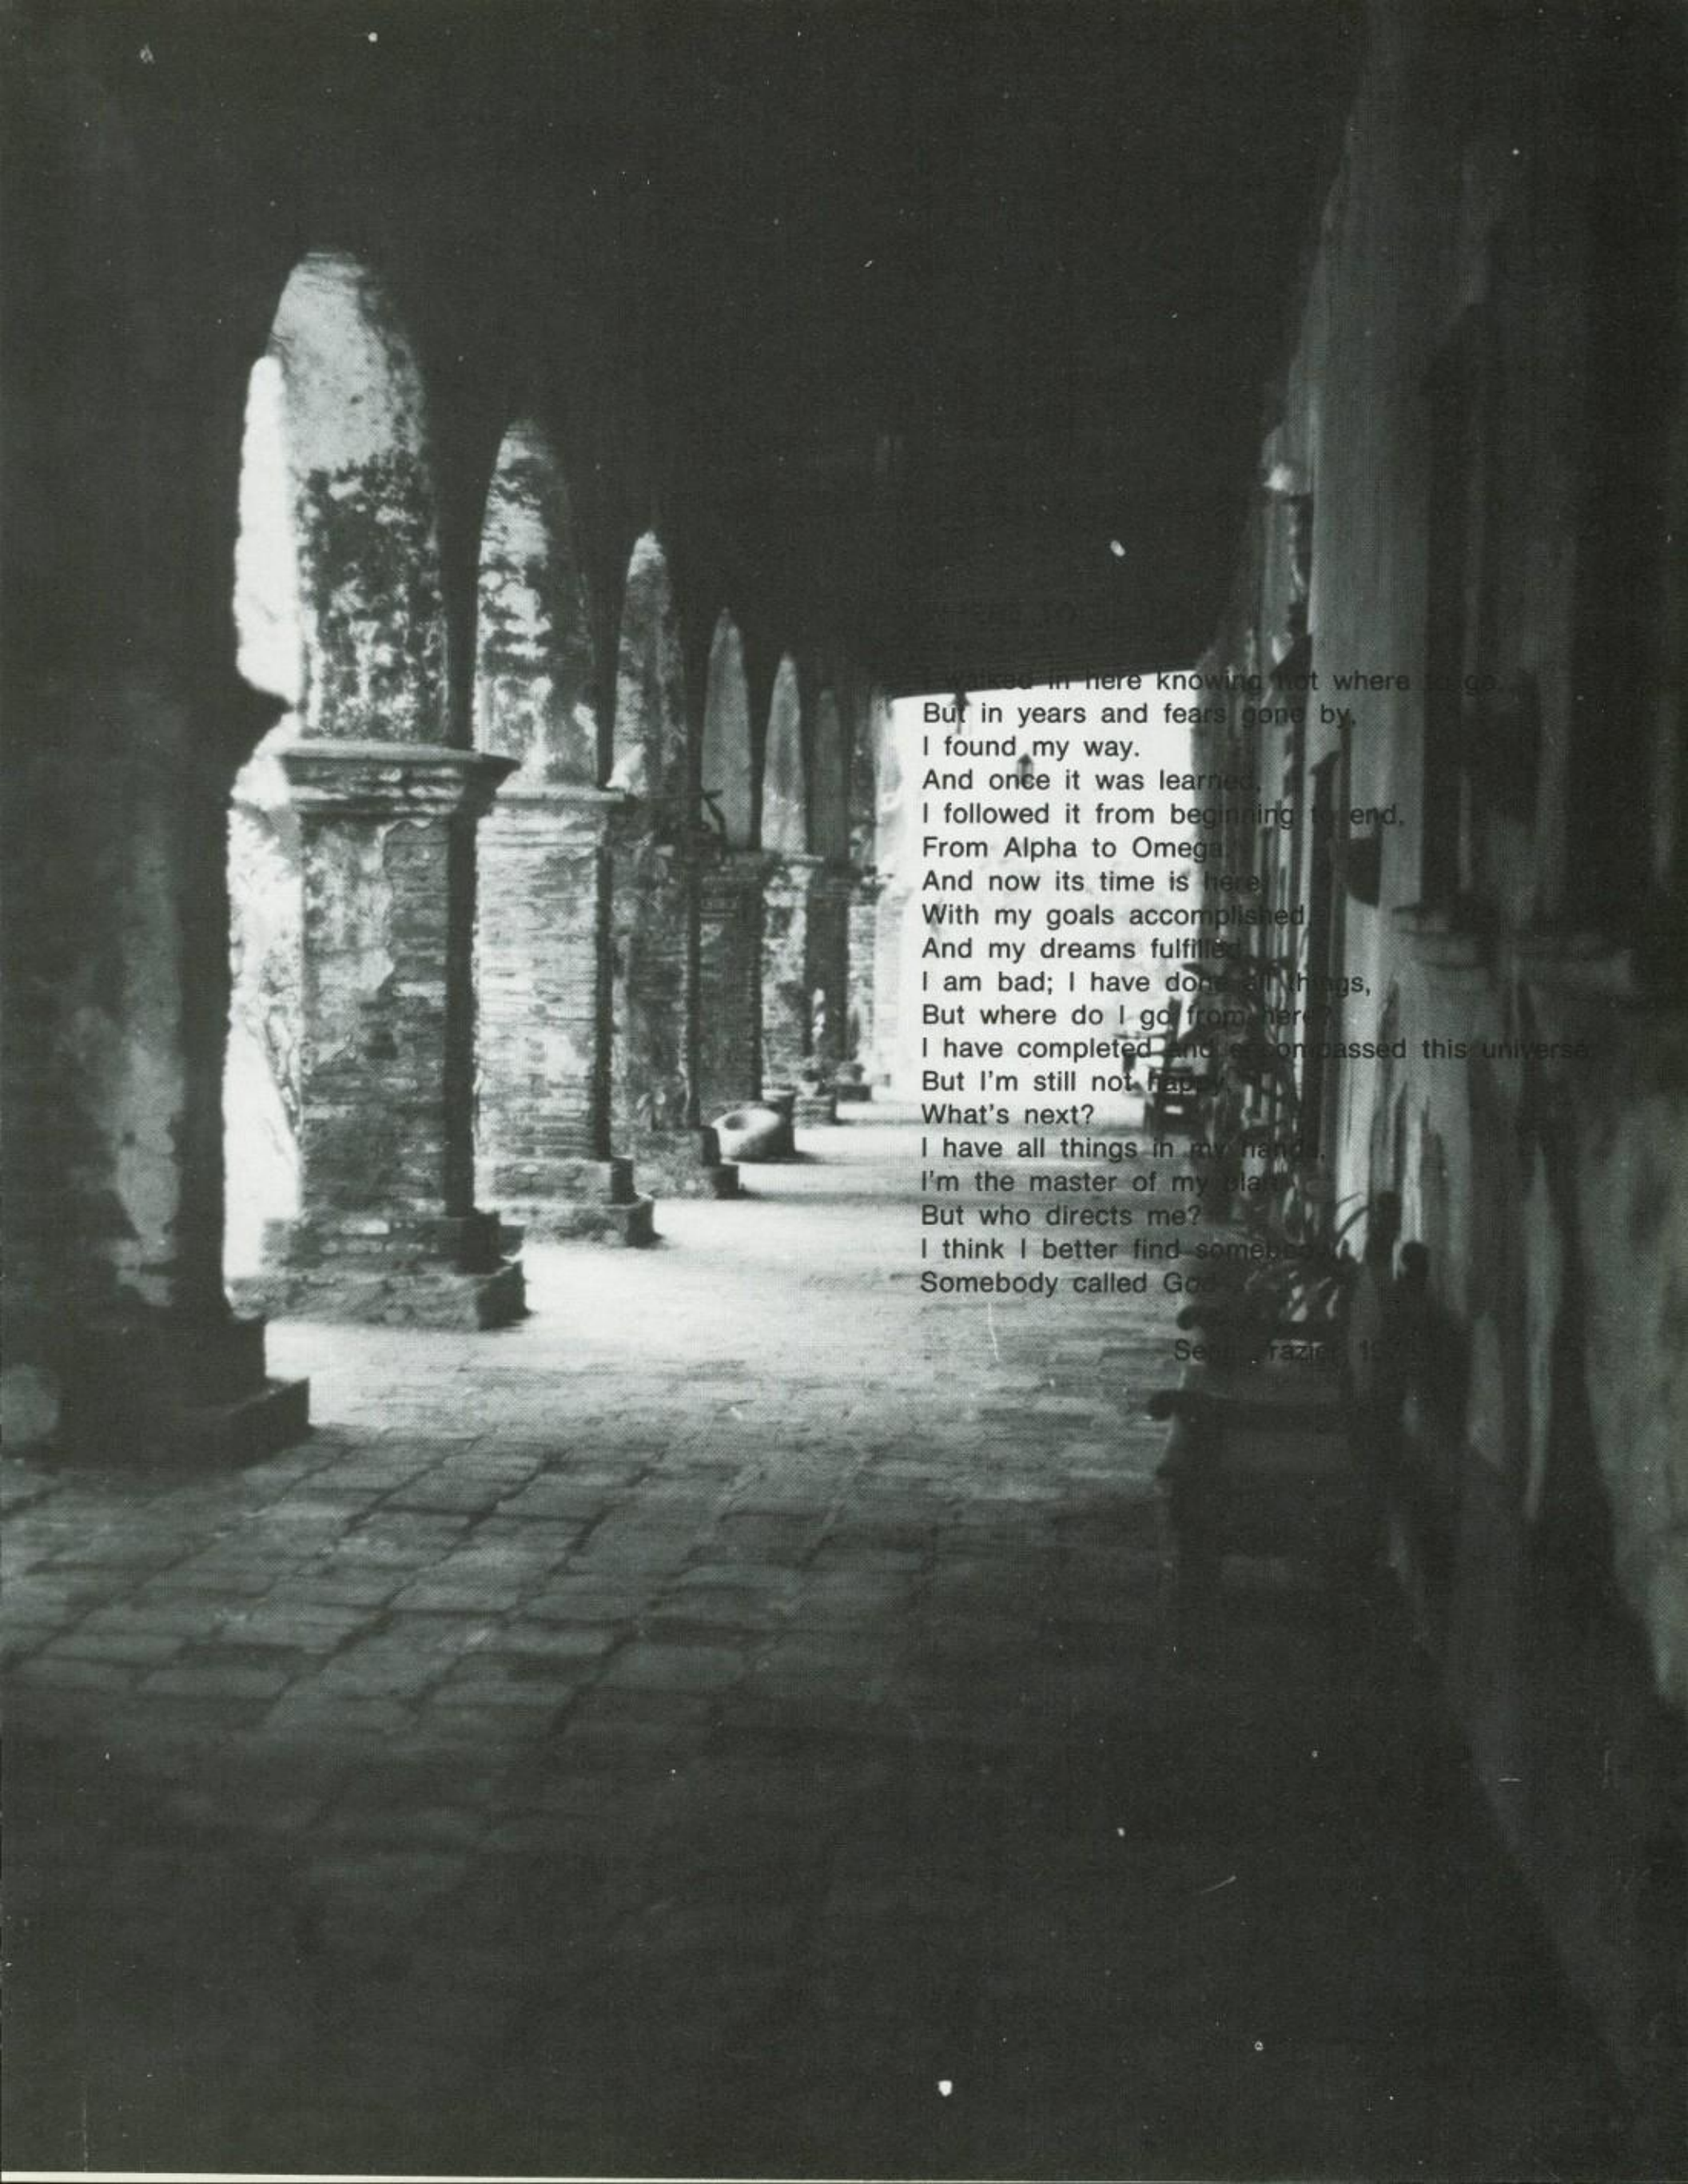


As I sit in English class
My mind shall pass
From thought to thought
I could be out sailing
But I'm here failing
A course I cannot learn

Today we're learning about engineering
Wouldn't you rather be out mountaineering?

All my teachers say I am not learning
But they couldn't either if they were daydreaming
I dream of being away from the books
And with a girl of good looks

I dream of swimming across the oceans
But all I see are division quotients
I shall never be a carefree kook
Because of a place called school



walked in here knowing not where I'd go.
But in years and fears gone by,
I found my way.
And once it was learned,
I followed it from beginning to end,
From Alpha to Omega.
And now its time is here.
With my goals accomplished,
And my dreams fulfilled,
I am bad; I have done all things,
But where do I go from here?
I have completed and encompassed this universe.
But I'm still not happy.
What's next?
I have all things in my hands,
I'm the master of my plan.
But who directs me?
I think I better find somebody,
Somebody called God.

SENIORS

After three years of hard work, the Class of 1978 finally made it to the top of the pyramid.

This years Senior class made visible contributions to every facet of campus life at St. John Bosco. On the athletic fields, enthusiastic seniors motivated their teammates to do their best. In the classrooms, they set standards for future classes to follow. The senior student body officers gave the necessary leadership to get 'lost' classmates through a frantic year. But perhaps the thing that has distinguished the Class of '78 from all the others, is their unique spirit and unity during campus activities. During rallies, Frosh Week, Homecoming, and the Olympiad, the Seniors, behind some spirited leadership, displayed the vitality which has become their trademark and hopefully for which they will be remembered long after they are gone.

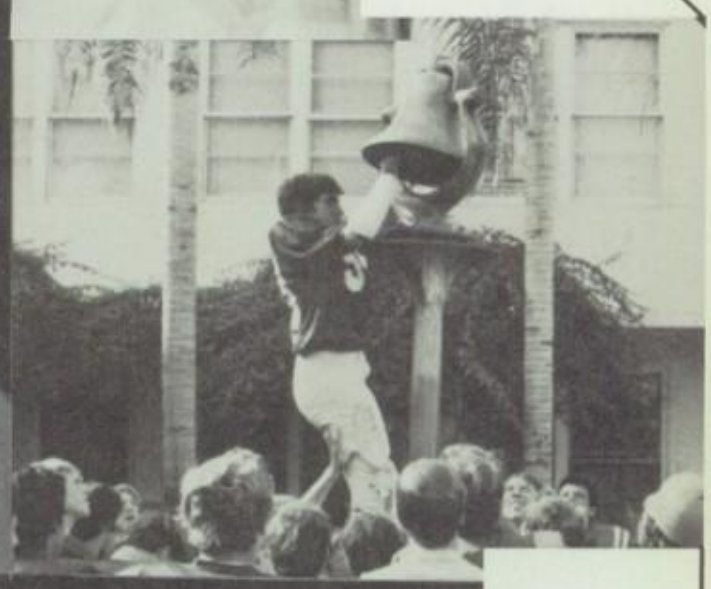
EVENTS



HOMECOMING

Fantasia was the theme of Homecoming '77. Organized by Paulo Morales and the student council, the yearly event was successful and enjoyable. The preceding week was filled with a festive atmosphere, heightened by a hat day, a costume day and brightly painted signs and posters. On the day of the game, a huge rally was held in the stadium bleachers with the entire student body in attendance. The festivities included a hairy legs contest, class competition arm wrestling, an apple cider drinking contest and a student-faculty wheelbarrow race. That evening, the game, the main event of Homecoming '77, thrilled everyone. The half time crowning ceremonies and terrific fireworks display could only be equaled by the impressive last minute victory over Notre Dame (27-29) with a desperation long bomb pass.

FROSH WEEK

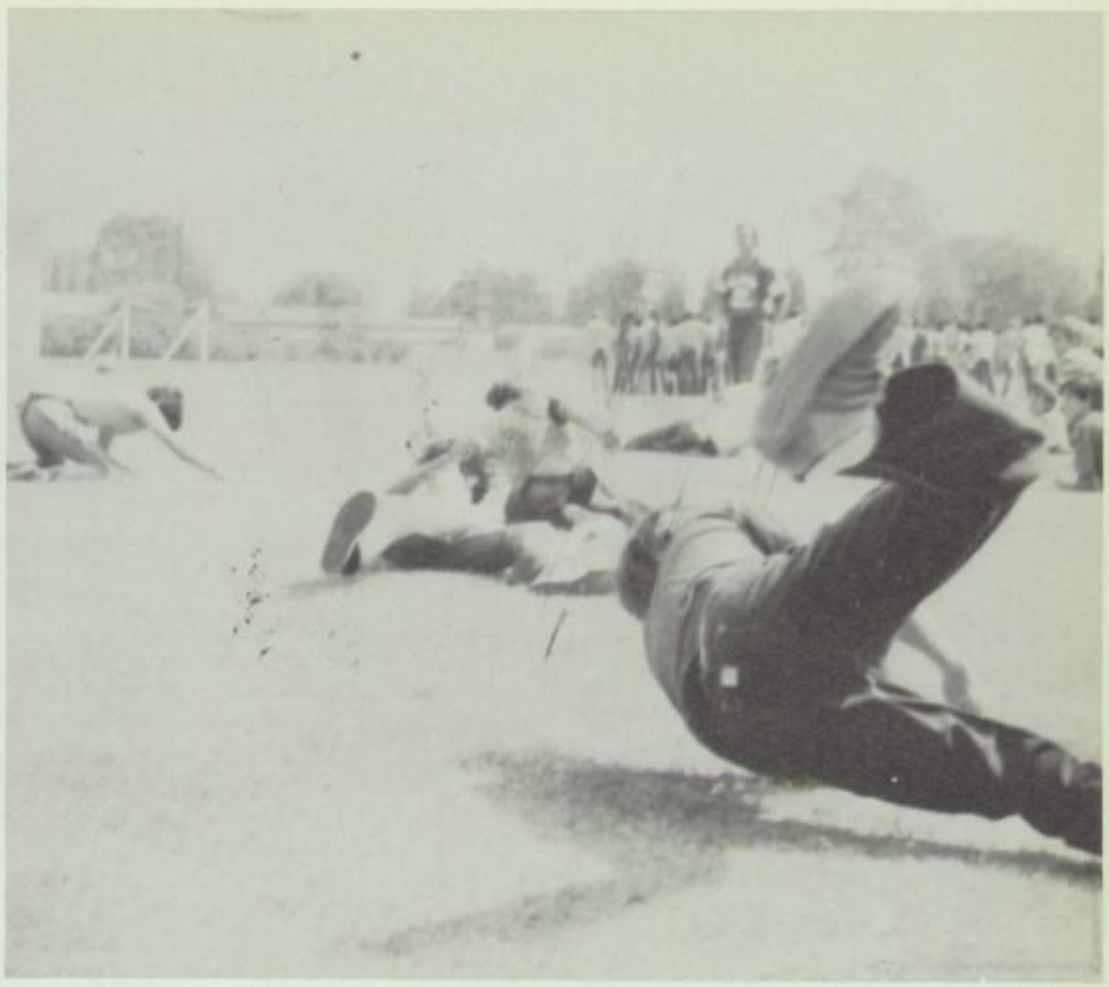
Senior



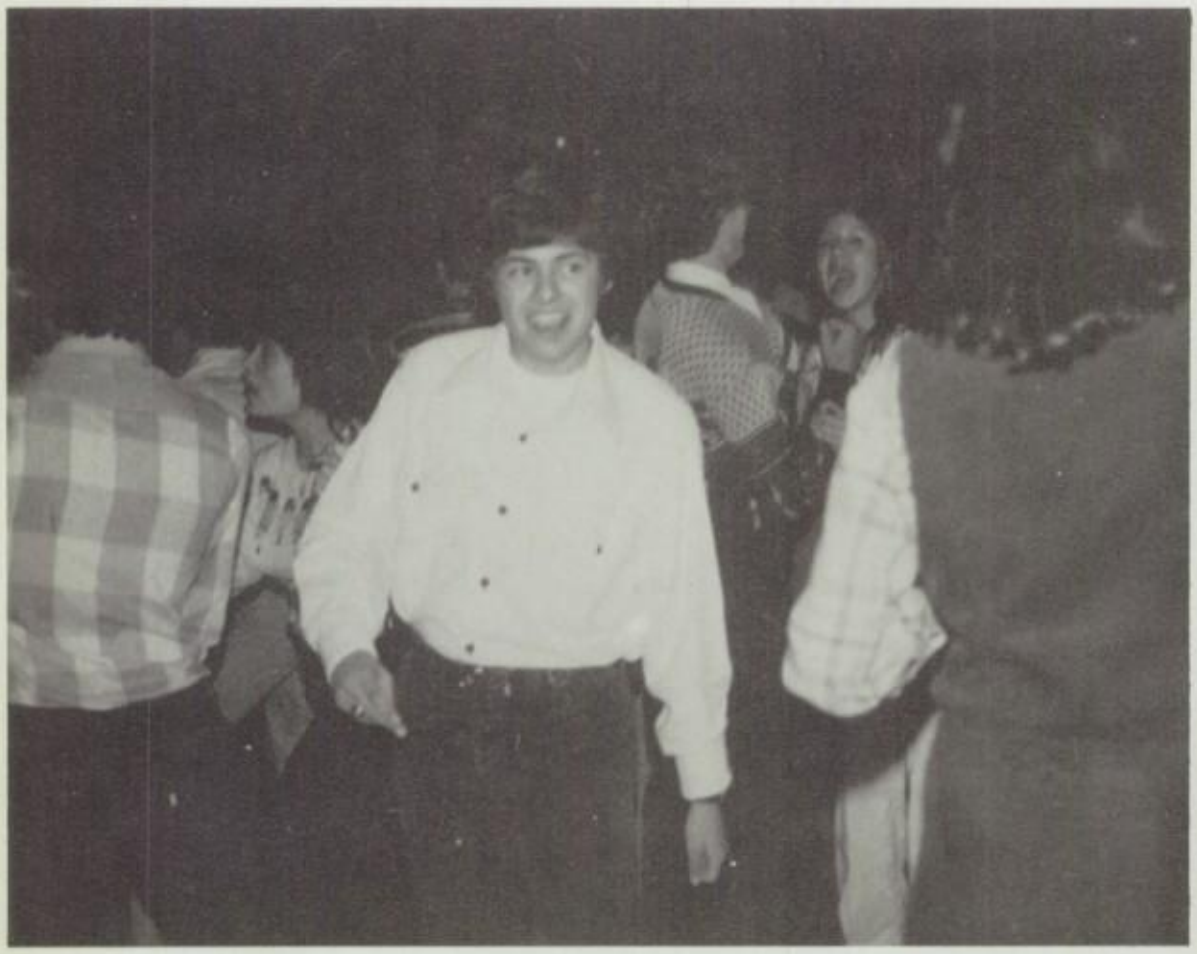
Devastated Freshman are down everywhere.

Dave Michel puts down a Freshman rebel.

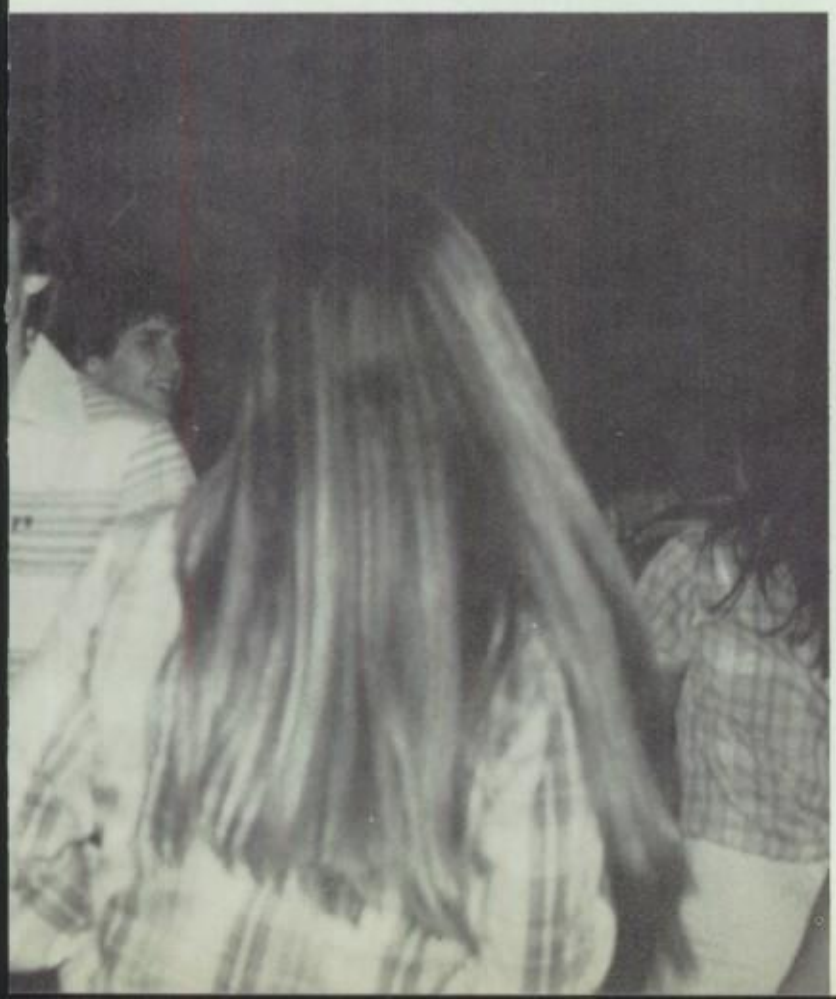
Freshmen mob is no match for senior superiority.

In years gone by, Freshman initiation was the most feared event in the life of the new Bosco Brave. Recently, however, initiation has become a Senior-Frosh activities day consisting of games. This year the initiation encompassed inter-class competition between the Freshmen in which the loosing team of course went for a swim in the mud pit. It was a great spectator event due to the fact that there were two Seniors for every twenty-five Freshmen. Although outnumbered, the Seniors succeeded in showing the Freshmen who was boss while having a good time.

DANCES



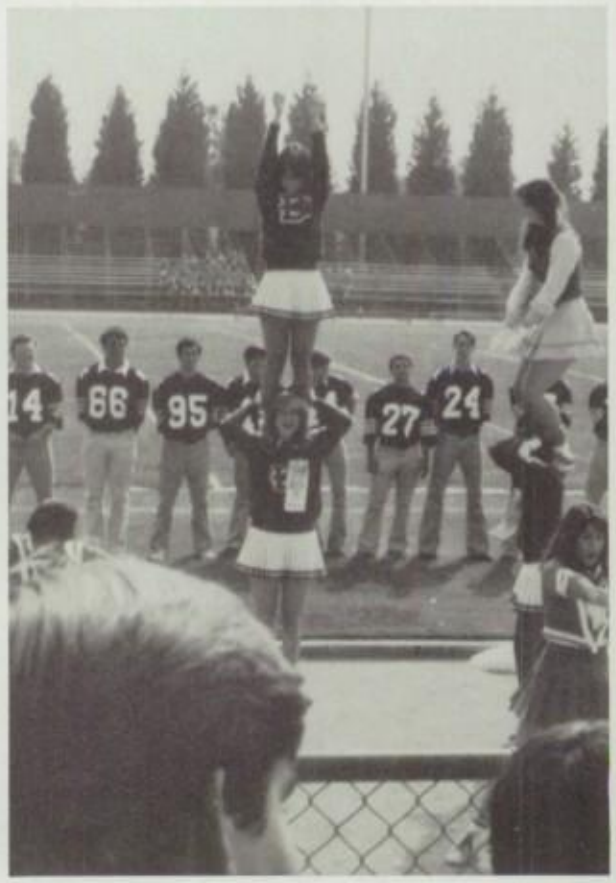
Dances were a real morale booster at St. John Bosco. They give the students a change from the everyday pressures of school. Between Bosco and our sister school, St. Joseph, the students enjoyed a dance at least once every three weeks. The bands hired for these events were usually polished performers. This year there was a new innovation, the disco dance. This was something the students enjoyed very much.



RALLIES

St. Joseph's Drill Team puts on a show at Homecoming rally.

Ed McGinn and Don Masarri combined for a strong wheelbarrow team.



Hairy leg contest entries.

Bosco cheerleaders lead the singing of the Alma Mater.

Among the activities on campus that enhance spirit were the football rallies. With the help of both St. Joseph's and the Brave cheerleaders, enthusiasm among the student body was motivated for the game which was to be held that same night.

A memorable rally was the one that was held for the Homecoming game. The enthusiasm among all of the students, especially the Seniors, reached a feverous pitch and contributed to the success of Homecoming Week activities.

TALENT SHOW

A record breaking four hundred dollars was profited by this year's sophomore class talent show. The show coordinators Dave Gonzales, Tracy Wilkinson, and Bro. Vince Cotter, went to work with a theme of "Hollywood, Then and Now". Eighteen students from five schools took part in sharing their talent. Trophies, cash awards, and door prizes, combined with the various acts, resulted in an enjoyable evening of entertainment for an appreciative audience.

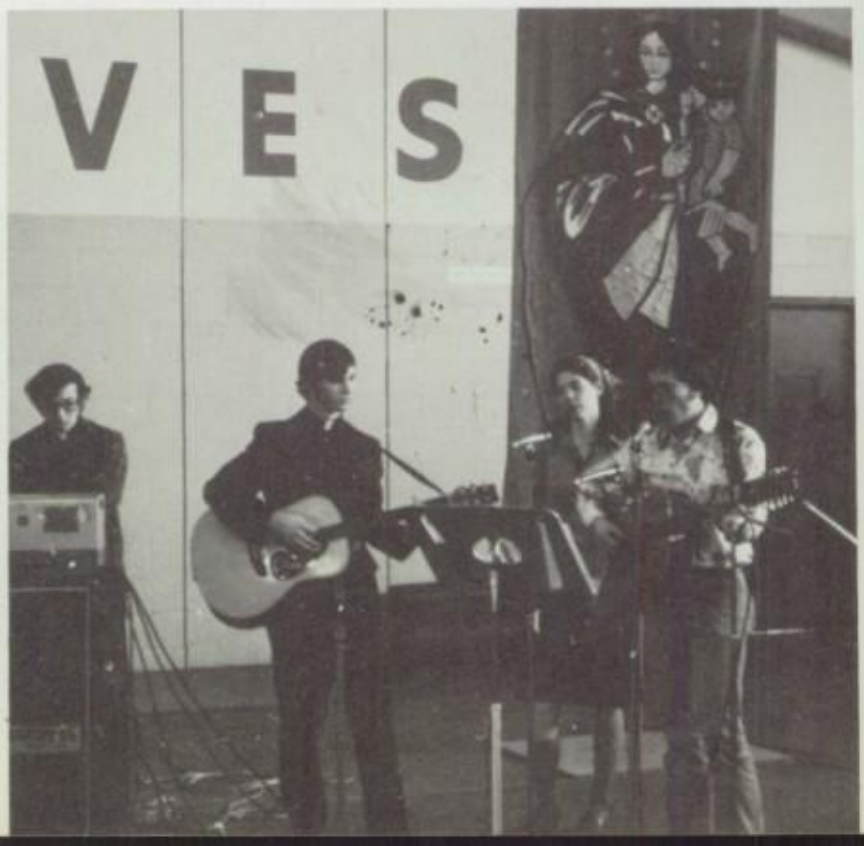
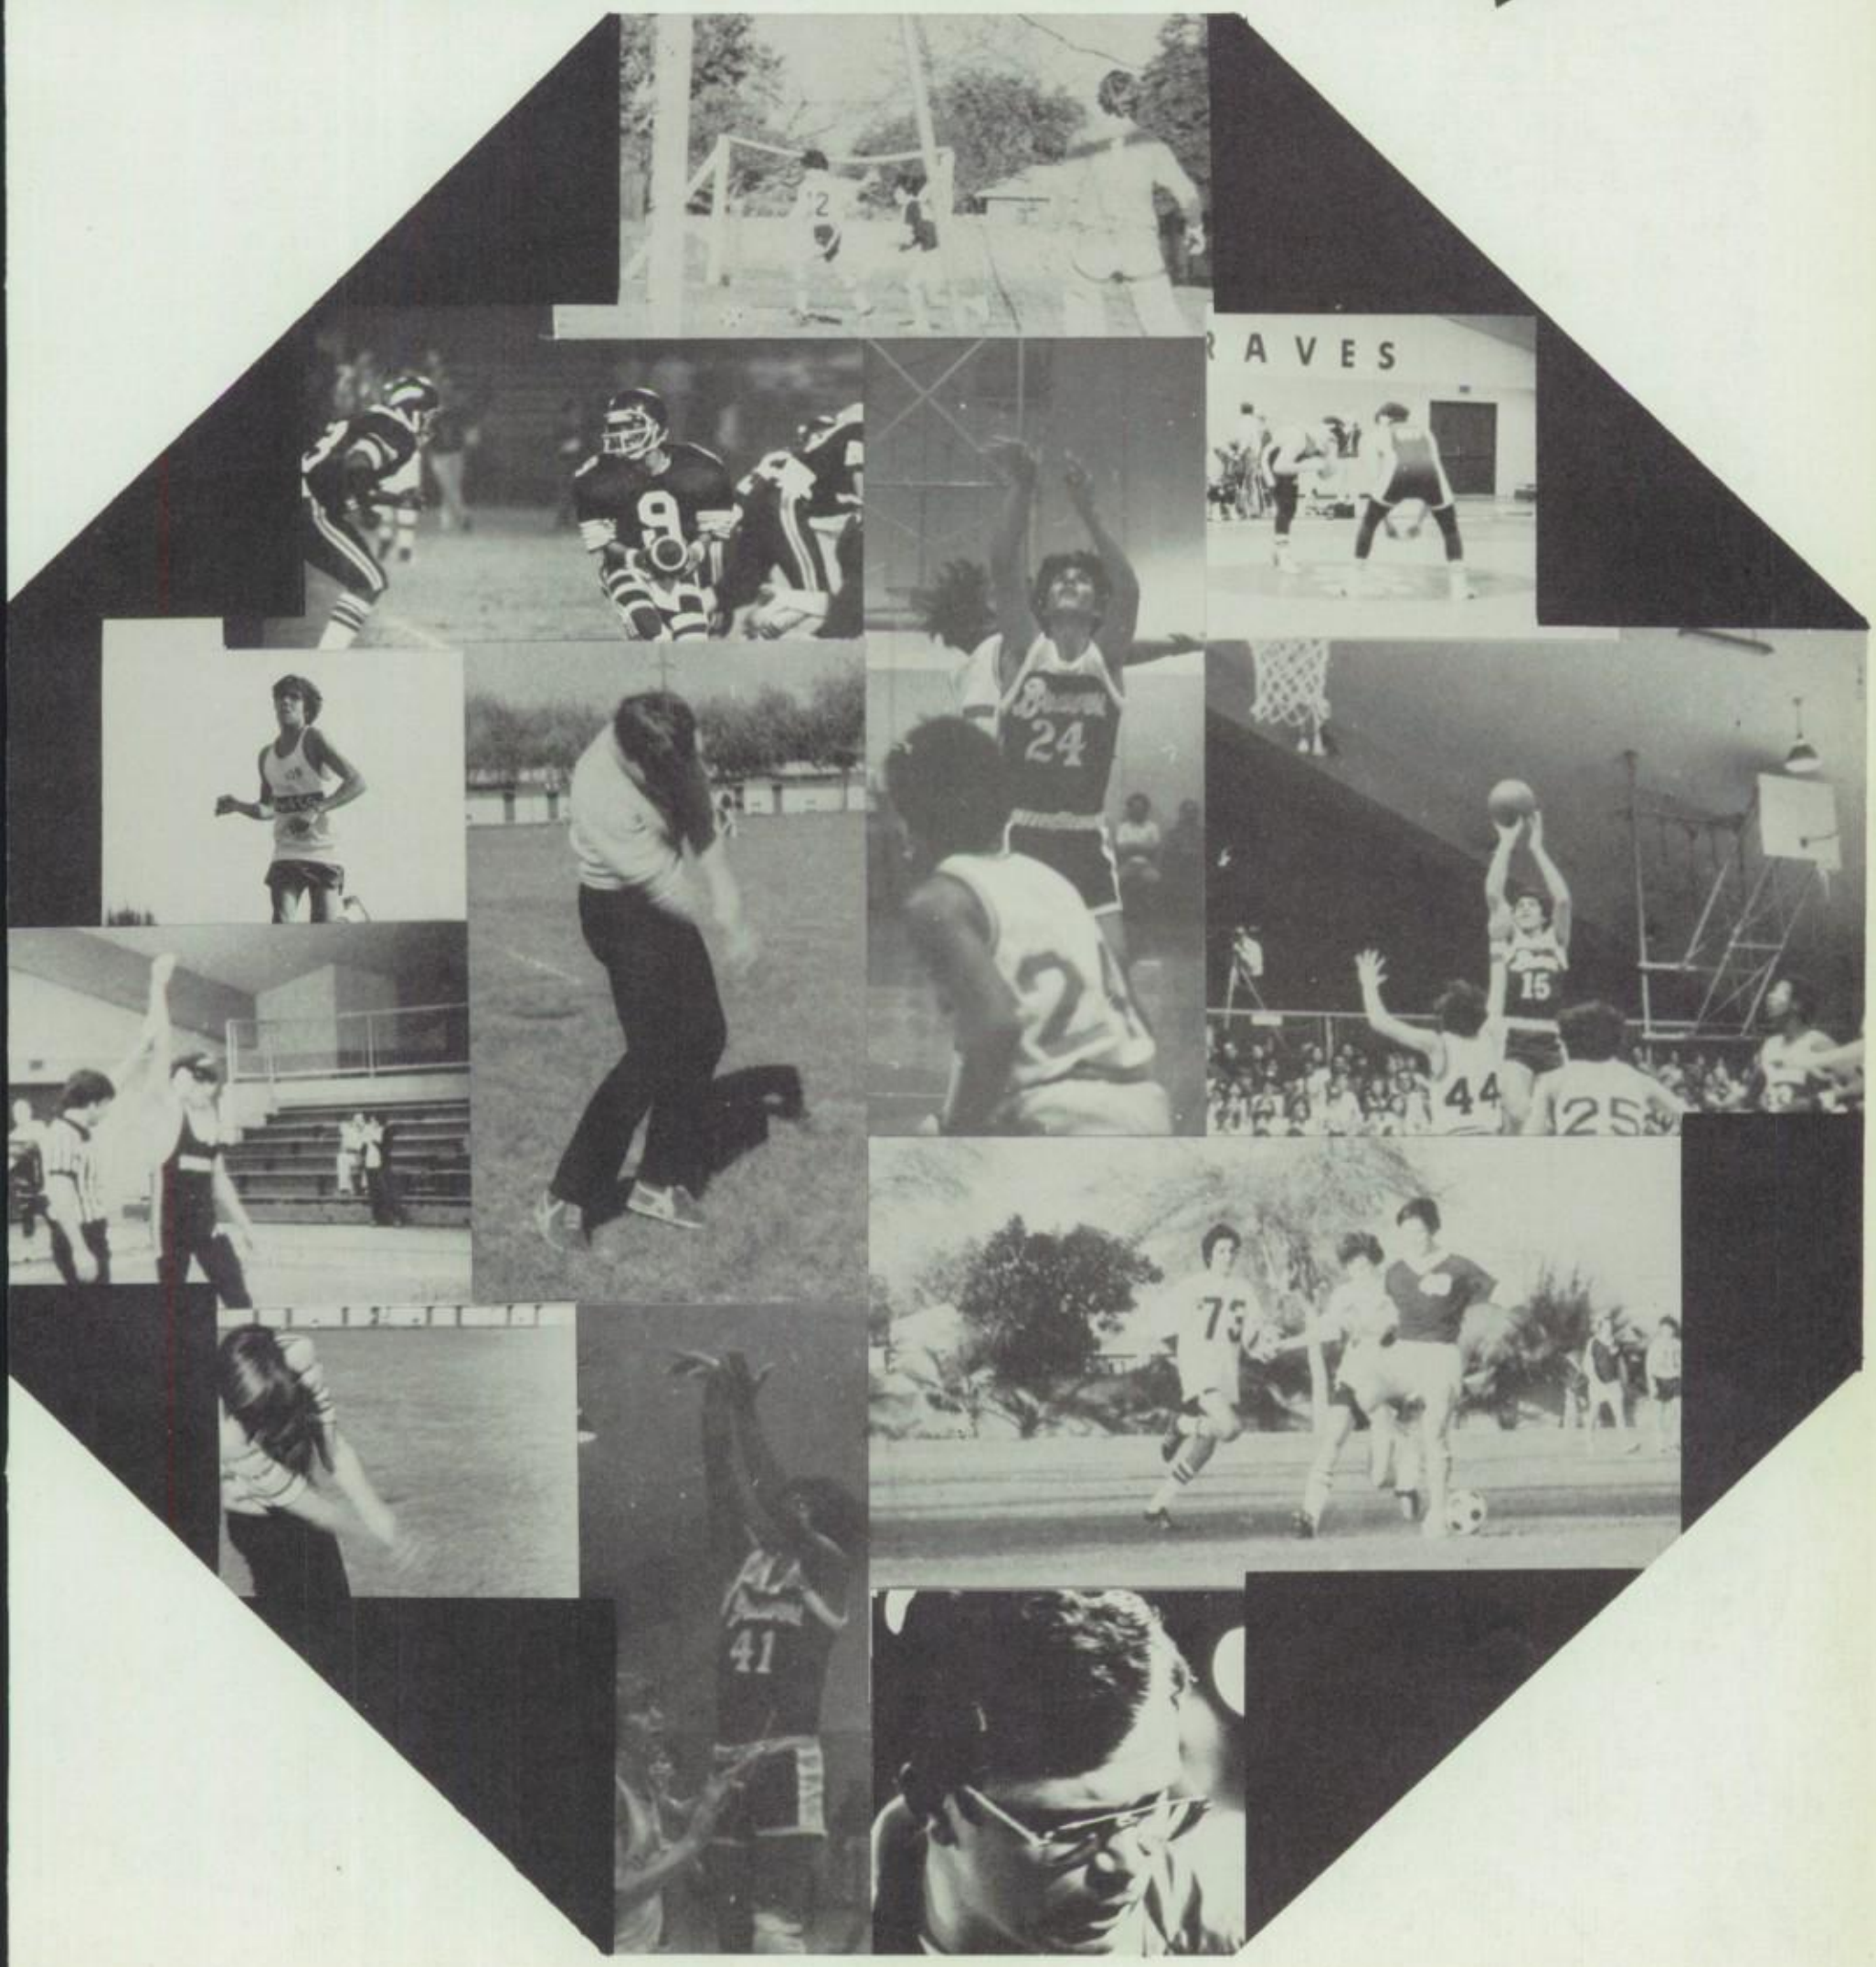
FEAST OF SAINT JOHN BOSCO

SJB offers many areas of enrichment to its student populus of which spiritual enlightenment is seen to hold a most important role. Through the goals of our founder St. John Bosco, boys have become men by maturing spiritually, mentally, and physically. It is in appreciation for his concern that we celebrate his feast day.



SPORTS



VARSITY FOOTBALL

Although this year's football team did not make headlines or rewrite the record books, it did give the crowds plenty to cheer about.

With twelve junior starters and only one returning starter among the seniors, the Braves 4-5 season record should not be taken lightly. The Braves worked hard, led by co-captains Charles Pillon, Paul Davis, and Don Niklas, and played well against many playoff-bound teams.

These efforts did not go unnoticed and ten St. John Bosco players received Del Rey League recognition. Those receiving first team all-league honors were seniors Charles Pillon, Don Niklas, and junior Dave Lira. Seniors Kevin Kelly, Rich Gardner, and Lou Acosta, as well as juniors Dave Wehrly, Chris Topps, John Carroll, and Dan Fitzgerald received second team all-league honors.

VARSITY CROSS COUNTRY

This year's team, coached by Ben Martinez and Tom Koppes, produced the best group of men that Bosco could boast about in many years. With coaches stressing discipline and pride, the team not only discovered the thrill of winning, but more importantly found the Christian attitude one must carry in the event of a loss. Thanks to the coaches our Bosco team was scarcely forced into a dilemma, since they advanced to represent Bosco while accepting numerous awards and finishing second in the tough Del Rey League; all under the careful discipline of Head Coach Ben Martinez and assistant Coach Tom Koppes.

"Cross-Country" has always been misunderstood as only a subsidiary of Track and Field with little consideration to the enormous distance between the two. To emphasize the difference, the CIF and the Del Rey League initiated that commencing in 1977 the distance concerning a Cross-Country race be changed to three miles (4,838 meters) instead of the conventional two miles (3,225 meters), demanding increased endurance, speed, dedication and desire.

Despite the extension of the traditional two mile course the Braves advanced to be a team of spirit and steady improvement with seniors Don Beaver, Ken Gollersud, Tom Hunter and Greg Brownfield, the latter two on varsity. Junior Felipe Gonzalez lead the varsity squad for his second year in a row. Other obvious standouts were Junior Jim Hunter and freshman Brian Lewis. Jim was extremely consistent and Brian was the freshman that set the example for all the underclassmen who we hope to see big achievements from in the future.

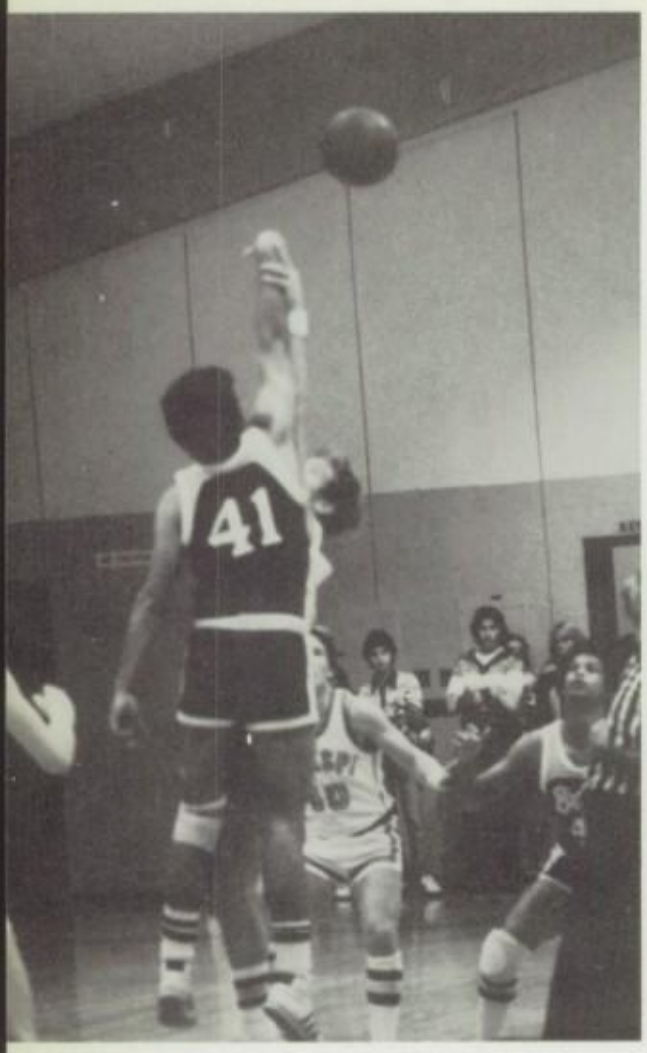
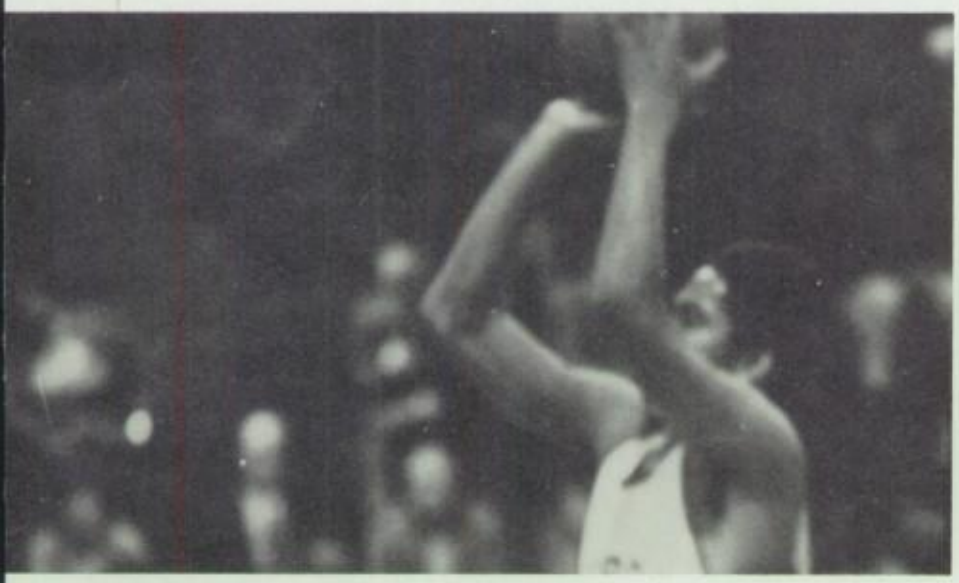
VARSITY BASKETBALL





The 1977-1978 Braves experienced a season of both victory and defeat. Although the team finished under .500 for the season, it gave the fans many exciting and hard-fought games. Numerous losses this year by the Braves were decided by one and two points; games that could have gone either way. The Braves showed promise early by finishing second in the Gahr Tournament, but bad luck and key injuries riddled the team throughout the remainder of the year.

At the helm of the Braves, in his second year as varsity coach, was Jim Wilsak. The young Braves were led by 2 year letterman and captain, Ed Guzman. The extremely talented sophomore guards, Steve Carfino and Rich Escondon gave the Braves both excellent play and hope for the future. Senior "Dr. J" Joe Stephens excited the crowd with his dazzling moves and dunks. With 2 starters and 4 returning Juniors the Braves look forward to a more successful season next year.

This year's frosh football team had a good season, and promises to be a Del Rey League contender in years to come. They took second place in league competition this year with a 4-1 record and ended up with a 6-3 record overall. This spirited team was led offensively by Scott Duarte, Willie Howard, Scott Strachan, and Richie Smissen. The tough defense was led by Raue Perez and Gus Luna.

JV BASKETBALL

Back row (L to R): R. Washington, D. Gallian, K. McCollough, S. Lorge, J. Escondon, Coach Lynch, Front row: H. Prukop, J. Delis, L. Casas, D. Farney, D. Gonzalez.

Dan Farney anticipates an opponents next pass.

This year, as always, the J.V. basketball team was made up of an assortment of Sophomores and Juniors, most of whom had not played much together before. The unenviable job of molding these players into next years Varsity players went to Mr. Steve Lynch.

As with the Varsity, the J.V. team was plagued with last second defeats. Nevertheless, the team pulled together at the end of the season to place well in league. This surge at the end of the season was led by the fine play of Dan Farney, Kevin McCullough, and Shawn Lorge.

SOPH BASKETBALL

left to right: Alex Fernandaz, Doug Angelo, Keith Cook, Brian Lamp, Bill Kho, Dav Saganaga, Herman Ter Meer, head Coach, Walt Lamp

Coach Walt Lamp lead the Soph Basketball team to a rewarding year this year. The team earned a third place finish in the rugged Del Rey League with the help of Most Valuable player Randy Belzl.

FROSH BASKETBALL

front row: Anthony Staniforth, John Schulte, Doug Lopez, Joey Bahan, Mike Harrison, Richie Smissen, Paul Huffman, Mike Gardner, Chris Gatica, Mike McMonegal; Back row: coach John Ritter, Rick Maxson, Robert Munin, Willie Howard, William Stokes, Eric Larson, Tim Deruyter, Scott Strachan, Carl Duplussie.

Persistence and dedication make a championship team. In both respects, the Ritter coached team showed just that. The Freshmen posted an 8-2 record during the season, which earned them the co-championship and a 16-4 record overall.

FROSH-SOPH SWIMMING

T. Stevenson establishes a good lead.

Led by coach Kent Halbmaier, this years Frosh/Soph Swim Team was hindered right from the start by an ineffective pool heater. This limited the valuable practice time which was dearly needed. Mr. Consistency on the team was Jay Winn whom the team looked to in pivotal matches. But in the end it was the whole team's attitude which enabled them to reach the heights they achieved.

Back row; N. Bhupathy, J. Ayora, J. Fuentes, M. Sheehan, V. Attardo, M. Paz, H. Sanchez, R. Rodriguez. Front row; L. McGivney, J. Fiola, F. Earl, M. Jones, D. Vera, J. Chavez.

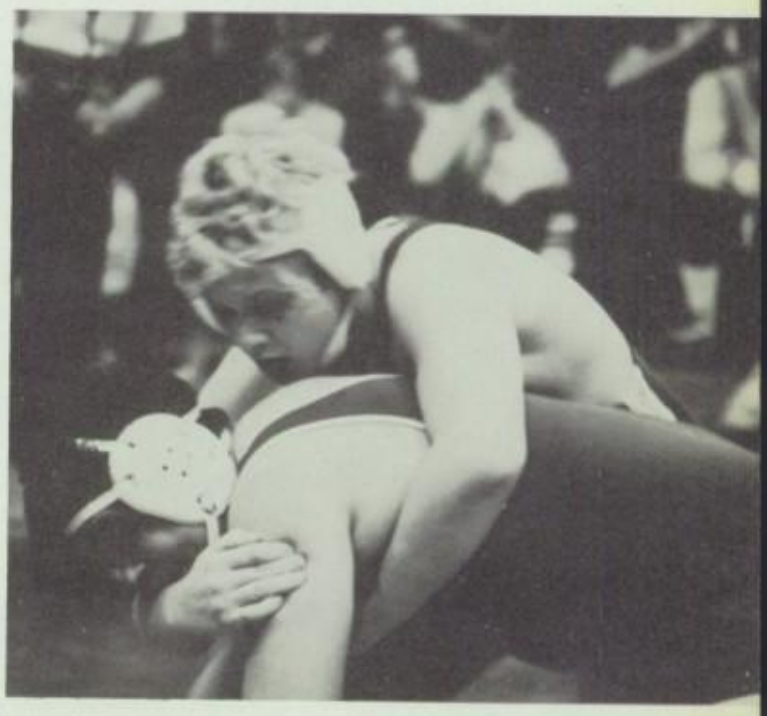
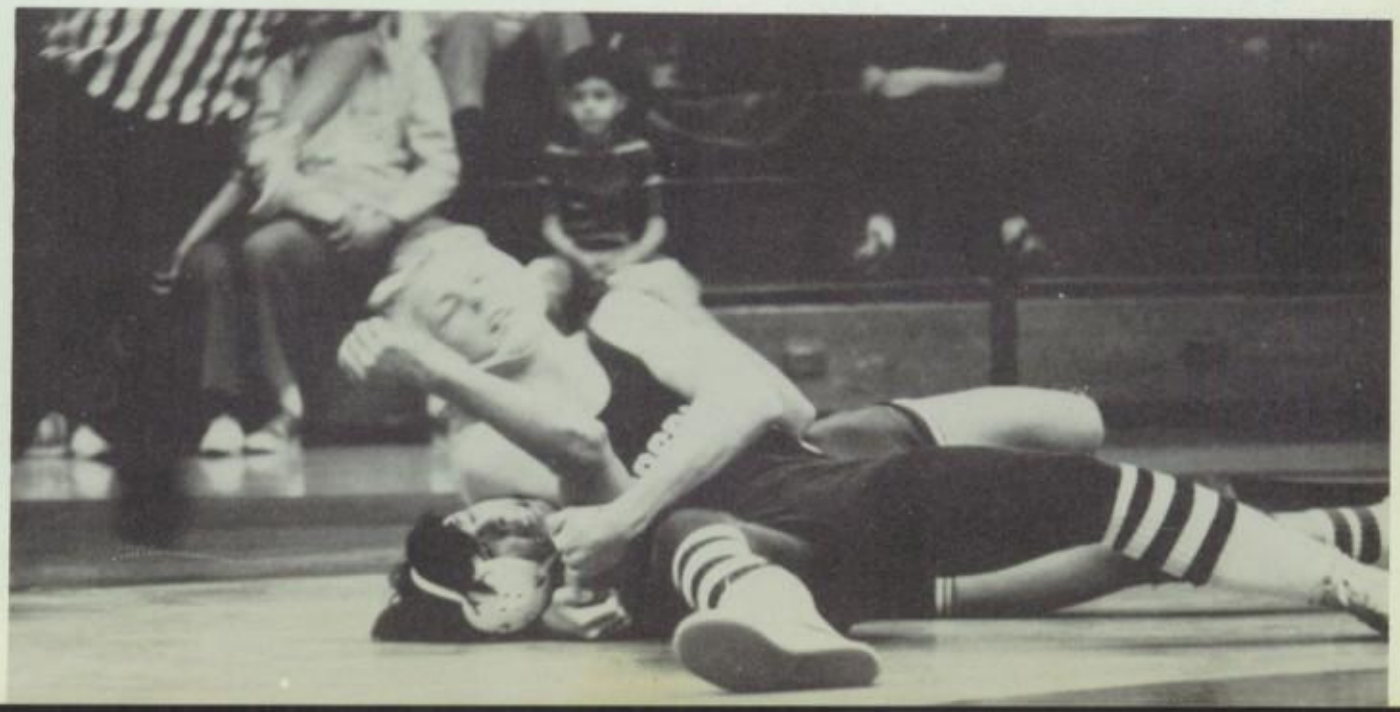
Victor Magana is ready to go on the bottom.



John Deruyter puts a good hold on his opponent.



JV TENNIS

This year's J. V. Tennis team consisted of mostly Freshmen and Sophomores. These promising young athletes faced many other schools in a display of talent and determination. They gained knowledge and experience for the competitive aspect of the sport, which will enable them to be future Varsity Lettermen.

JV GOLF

This year's JV Golf Team consisted mainly of Freshmen and Sophomores. Most of these participants have never played competitive golf before. JV SOCCER

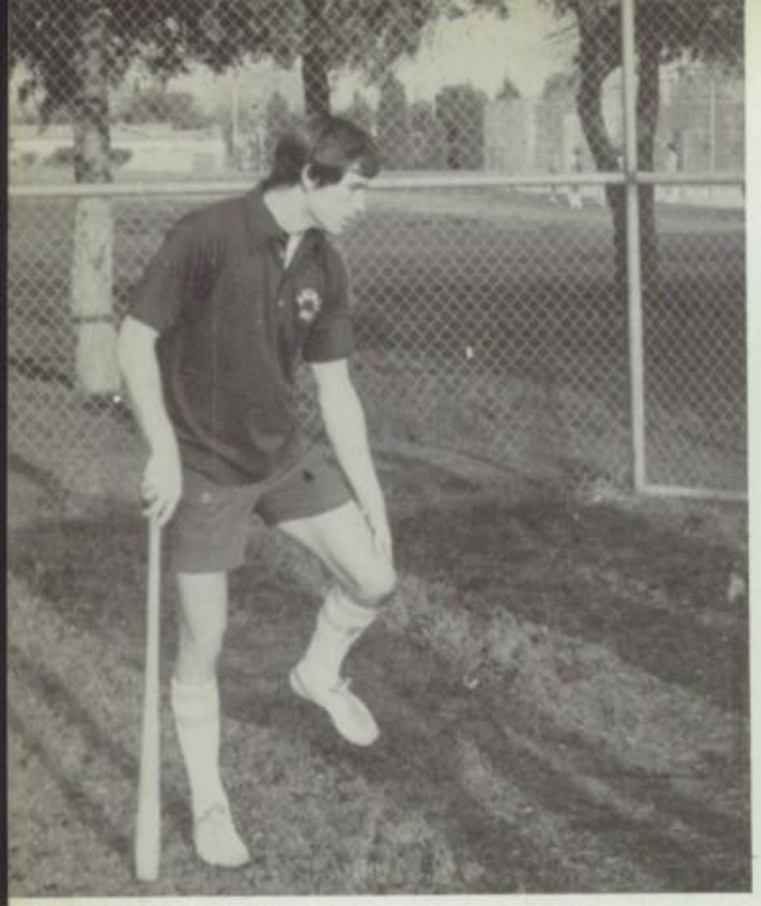
The S.J.B. Junior Varsity Soccer Team was led by captains Derek O'Gorman, Sam Ynzunza, and Jeff Simonton to a third place finish in the San Gabriel Valley League, with a record of 8-5-1. Their overall record was 11-6-2.

The team's outstanding player was freshman Dale Rokes, who had eleven goals and thirteen assists on the year. Defensively, the J.V.'s were led by Brian Bracken and Armando Ibarra with Jeff Simonton in the goal. The mid-field play was dominated by sophomore Derek O'Gorman and freshman Dan Quinn.

J.V. BASEBALL



The J.V. Baseball team had another good season this year, as the Freshmen and Sophomores combined to produce a well balanced team.
